

October 27, 2015

The Executive Committee of the Canadian Association of Medical Device Reprocessing (CAMDR) would like you introduce your Provincial Advisor!

Josette Forest is the CAMDR Provincial Advisor for the province of Québec. CAMDR is highly committed to furthering the profession of reprocessing of medical devices, and our Provincial Advisors are glad to act on your behalf to bring forward your thoughts and ideas of how we can better promote the medical device reprocessing profession.

The CAMDR website (www.CAMDR.ca) has a wealth of information that will be of benefit to all reprocessing professionals, but we would also welcome your suggestions on how we can better tailor our website to your needs. Please feel free to contact your Provincial Advisor, Josette Forest, via email at josette.forest@videotron.ca if you have any suggestions.

As a reminder, the CAMDR biennial conference is scheduled for October 2016 in Toronto and your participation would be most welcomed and appreciated.

We want to welcome Josette Forest to this new role with CAMDR and we look forward to working with all our Provincial Advisors!

Regards,

Abdool Karim
President, CAMDR
